

Says

What have we heard them say?  
What can we imagine them saying?

They love sharing my experience and travel through social media.

people says they love immersing ourselves in local culture, visiting off the beaten-path attractions.

This visibility makes it all the more important to pay attention to our project.

creaters often overlook the channel description

people who creates youtube channels, its only the visible on your channels about pae

people get more benefits through creating channels

Does

What behavior have we observed?  
What can we imagine them doing?

Swathi's room

Focus on creating valuable content, engaging with your audience, and promoting your channel through various channels

[See an example](#)

Thinks

What are their wants, needs, hopes, and dreams?  
What other thoughts might influence their behavior?

To be fascinate and we can gain money by creating channels

we are working for this project to explain importance of youtube channels

people thinks that they gain knowledge through youtube channel

I want to thank all my current subscribers for watching my videos.

it is one of the glimpses of users of your channels

we can build a relationship with their viewers by increasing their engagement

Feels

What are their fears, frustrations, and anxieties?  
What other feelings might influence their behavior?
